Dear Ms. O'Brien:

I am writing to inform you that Mr. James Ozburn of Ozburn Brothers Dairy Farms (Nolensville, Tennessee) is withdrawing his application for CAFO permit. They have decided not to expand their farm to 300 dairy cows. They will contact us and begin the permitting process again once they decide to expand their farm. Please note this in his file with TDEC.

Sincerely,

Angela L. Warden
